

...building a brighter future for
children with Down Syndrome

Volunteer Opportunities

We are at an exciting time as the charity reaches its 10th anniversary. Over the last 10 years we have supported over 100 children and their families to build a brighter future for our children. Over the next 10 years we aim to continue to deliver our priorities of education, support, advocacy and training to many other children and their families extending our support throughout their education.

Ways to Get Involved
